DIGITAL DOESN'T HAVE TO BE HARD.

Here at the Addy Indy we have always seen it as our job to help connect local businesses with their clients. These days, pairing digital services with your print advertising campaigns is the best way to reach your customers quickly and efficiently.

This means it's more important than ever for local businesses and organizations to take control of their digital presence. But we also know that this takes time and isn't everyone's expertise. So that's where we come in.

Independent Digital Marketing (IDM) is our newest line of digital marketing services that lets us provide a fast and straightforward way to manage your digital persona and ensure your customers can find you online:

DIGITAL DIRECTORY MANAGEMENT

Our Digital Directory Management platform includes the features and tools businesses need to get discovered online, connect with customers, and attract new business.

To offer maximum accessibility, we provide packages at various price points and let you choose your level of platform interaction (which is handy if you're not tech savvy or simply don't have the time to manage about your digital presence!).

ESSENTIAL PACKAGE

The Independent Digital Marketing Essential Package consolidates all digital directory, social media, and review information that's floating out there on the web into a single, streamlined portal.

Our Essential Package includes:

- **Listing Management** - In addition to keeping track of where your business information is listed, you also have to control what is listed in those locations. The IDM platform lets you track and update all your digital directory information with just a single click.
- **Reputation Management** - Customers are your most important source of feedback. Their ratings and reviews can make or break your reputation. With the IDM portal, you can easily view and respond to customer feedback across all major review sites.
- **Social Media Monitoring** - You know that quality, frequent posts boost brand awareness and engagement deepens customer loyalty. But it seems like there just aren't enough hours in the day to manage it all... until now. You can manage every network at once with the IDM portal.

BASIC PACKAGE

The Independent Digital Marketing Basic Package provides the starter tools you need to get a handle on your digital directory presence.

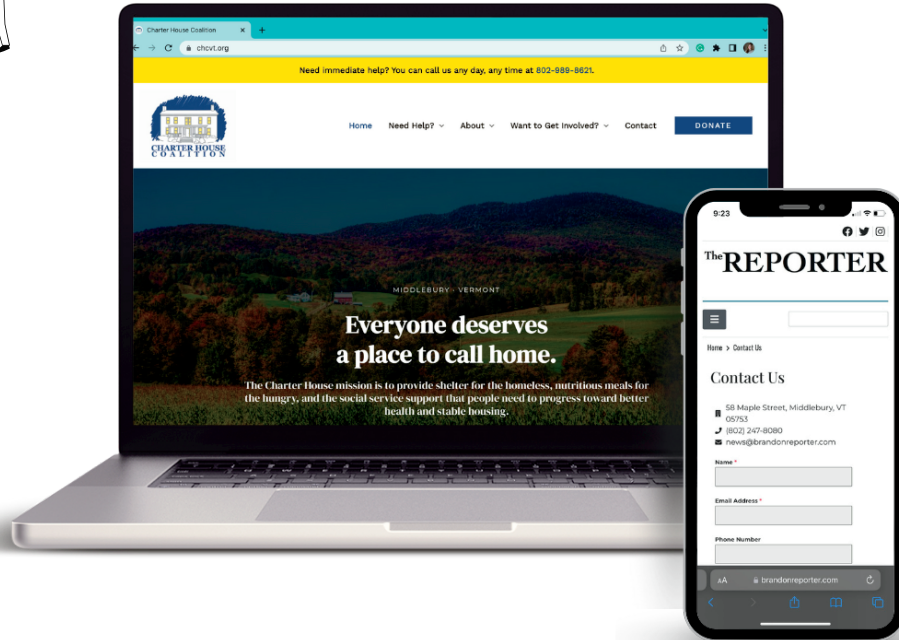

Our Basic Package includes:
